

dart™ User Guide

The dart is an automatic rotating light for interactive play for cats and dogs. Random laser patterns entice your pet to dart, pounce, and chase. Adjustable speed and timer settings create 16 engaging play combinations. The dart is fun and looks beautiful in your home.

Battery Installation & Set Up

1. Locate battery door on the underside of the dart's top piece.
2. Open battery door and position 3 AA batteries as shown in diagram.
3. Close battery door.
4. Place the top of the dart on the base.
5. Twist top and bottom pieces clockwise to lock into place as shown in diagram.
6. Press on/off • speeds button to turn the dart on.
7. Press on/off • speeds button 3 more times to turn the dart off.

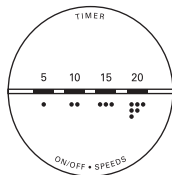

Operating Instructions

Variable Speeds

- Press on/off • speeds button to turn on. Press on/off • speeds button again to change the speed to medium, fast, or variable.
- The light for the selected speed (slow •, medium ••, fast •••, variable ••••) will glow solid green.

Variable Timers

- Once it is turned on, the toy will play until you turn it off unless you select an automatic timer setting for 5, 10, 15, or 20 minute time play sessions.
- Press the timer button to change the timer setting.
- The light below the selected time (5, 10, 15, 20 minutes) will flash.
- Press on/off • speed button to turn off before selected time has ended.

Warning

Do not aim the laser light directly into the eyes of pets or people.

Always supervise pets playing with pet toys. Monitor your pet's reaction to the laser light, and reward with tangible toy, treat or affection after play session. Pets should be supervised while playing with the toy. If you notice your pet exhibiting unusual behavior, immediately discontinue use of the toy and consult your veterinarian before using the toy again.

Apart from playing with the toy, pet owners should provide their pets with a variety of play activities, opportunities for stimulation, and an appropriate amount of daily exercise as determined by you and your veterinarian. Be involved in play sessions with your pets and be generous with your attention, hugs, and encouraging words.

This product is intended for pets, not for children. Do not allow small children to use this product to play with your pet without adult supervisions

To Ensure Proper Function

Do not mix old and new batteries.

Do not mix standard, alkaline, or rechargeable batteries.
